President's Message

Distinguished Guests,

On behalf of the Foreign Commerce Club of New York and the Board of Governors, it is my pleasure to welcome you to our 102nd annual Steamship Night Dinner.

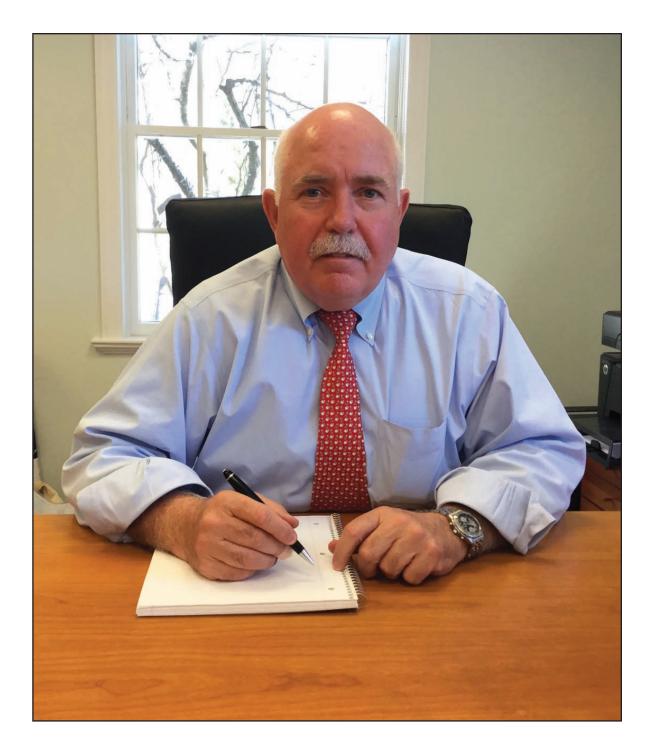

I want to take this opportunity to thank our Board of Governors for all their hard work and expertise throughout the year to promote fellowship and learning opportunities with our business partners in the industry. Thanks to their hard work in arranging the several functions which included, Members Night, Maher Terminal Tour, Holiday Luncheon, ICT/SHIPCO Warehouse Tour, yearly Golf Outing and tonight's Steamship Night Dinner, these Fundraisers have allowed us to make donations to SUNY Maritime College, The Make a Wish Foundation, The Hole in the Wall Gang and the El Faro Fund.

Again it is important that we thank each and every one of you for being a part of the Foreign Commerce Club of New York, whether as a member or a guest, without your support of our fundraising events, we could not continue to provide the educational events or support the charities as we do.

Please enjoy the evening, network, discuss and we look forward to seeing you all again at our various functions being planned for the coming year.

Sincerely,

Wictor DiPaolo

Klaus Jepsen, Group CEO

Shipco Transport Inc. 80 Washington Street Hoboken, NJ 07030

Klaus Jepsen, Group CEO

Shipco Transport is one of the world's leading neutral NVOCC's, providing a comprehensive portfolio of neutral export and import ocean and airfreight services. Shipco is a wholly owned subsidiary of Scan-Group, an international shipping and transportation company, headquartered in Copenhagen, Denmark. Shipco has more than 70 offices worldwide and over 2,000 employees.

Shipco was founded in 1988 and is headed by Klaus Jepsen, Group CEO.

Jepsen, born in Copenhagen, Denmark, has been with the Scan-Group since 1975. Having completed his apprenticeship with the Group, he moved to Singapore in 1979 to establish operations there for Scan-Shipping. Following his tenure in Asia, he relocated to the U.S. in 1981 where he launched Scan-Shipping's New York office.

In 1983, he moved back to Copenhagen to take on the position of Assistant General Manager/Vice President at the parent company.

Identifying an opportunity to become more involved in the NVOCC side of the business, in 1988, Shipco Transport – spearheaded by Jepsen - was established in New York, becoming one of the first neutral NVOCC's in the U.S. Jepsen, together with his family, has remained a resident of New Jersey now for the past 26 years.

As well as being CEO for the Group, Jepsen also serves on the Board of Scan-Group.

In 2007, led by Jepsen, Shipco launched the WorldWide Alliance, an association of the world's top NVOCC's. This further expanded the company's global footprint and established Shipco and its WorldWide Alliance partners as best-in-class service providers in the LCL realm.

Mr Jepsen has established a great reputation in the industry over the years and one that was formally recognized when he was presented with the 'Person of the Year Award' by the New York/New Jersey Foreign Freight Forwarders Association in February 2015. Surrounded by his peers as well as colleagues, family and friends, Mr Jepsen was the first ever NVOCC to be honored by this esteemed association.

Delivering promises one container at a time

Maersk Line is dedicated to being a stable, enduring partner today and into the future. Our goal is to help customers keep their promises by providing an extensive, flexible global service network to keep shipments moving as planned. Count on our trained, knowledgeable customer service people and online freight processing tools to make shipping surprisingly simple.

Dear Vincent,

Thank you for your recent contribution of \$1,000.00 to the El Faro Relief Fund managed by the Seamen's Church Institute (SCI).

In response to the tragic loss of the *MV El Faro* with all hands in October 2015, SCI established the El Faro Relief Fund to provide financial assistance to the surviving families and dependents of the *MV El Faro*'s lost seafarers and other U.S. merchant vessels that may be lost at sea in the future. Thanks to donations from people like you, SCI can award grants to eligible family members and dependents for financial hardships. All of the donations made to this fund go directly to the seafarers' families and dependents.

Thank you for your continued thoughts, prayers and support.

Sincerely, nonfer K.

P.S. SCI is a non-profit organization under Internal Revenue Code Section 501(c)(3). Your donation may be tax deductible. For your benefit and as required by law, we state that SCI did not provide any goods or services in consideration, in whole or in part, for this contribution. Your contribution will appear for recognition purposes, as being made by Foreign Commerce Club of New York Inc. unless you notify us otherwise by calling SCI's Development office.

Welcome to SOUTH CAROLINA PORTS MYRON RIVERS, CRANE OPERATOR, CHARLESTON, SC

Moving 40-50 containers per hour is a lough job, and no one does it better than the SC Ports. Day in and day out, skilled crane operators like Myron make our ports work. We handled nearly 1.1 million containers in the last fiscal year. And cargo velocity is higher than ever. Our box volume is growing, but our productivity won't budge. Good thing we have the right people to keep freight moving.
