President's Message

Dear Foreign Commerce Club Members and Distinguished Guests,

On behalf of the Foreign Commerce Club of New York and the Board of Governors, it is my pleasure to welcome you to our 104th annual Steamship Night Dinner.

This year has been a challenging one for the club as many companies have reduced their participation in many events. It has been difficult to provide the support of our charities as in the past but we will continue to do what we can with the resources we have. My wish moving forward is that the industry can support the club to grow again so we may continue on for many years to come.

I want to take this opportunity to thank our Board of Governors for all their hard work and expertise throughout the year to promote fellow ship and learning opportunities with our business partners in the industry. Thanks to their dedication in arranging the several functions which included, Members Night, Maher Terminal Seminar, Holiday Luncheon, our yearly Golf Outing and tonight's Steamship Night Dinner.

We will continue with these Fundraisers as with your support, they allow us to make donations to SUNY Maritime College, The Make a Wish Foundation, The Hole in the Wall Gang and Building Homes for Hero's.

Again, it is important that we thank each and every one of you for being a part of the Foreign Commerce Club of New York, whether as a member or a guest, without your support of our fundraising events, we could not continue to provide the educational events or support the charities as we do.

Please enjoy the evening, network, discuss and we look forward to seeing you all again at our various functions being planned for the coming year.

Sincerely,

A handwritten signature in dark ink, appearing to read "Vicki D. R. H." with a stylized flourish at the end.
